

MIRG
PUSH FOR AN ETHNOGRAPHIC LITERACY

www.cesps.org

Stuat's research investigates how recent developments—specifically mass incarceration, zero-tolerance policing, digital social media, and new forms of music—have reshaped the social fabric of disadvantaged neighborhoods in the twenty-first century.

At a time when distrust between police and the residents of disadvantaged neighborhoods has never been higher, Stuart's book helps us see where we've gone wrong, and what steps we could take to begin to change the lives of our poorest citizens.
